A NOTE ABOUT GIVING

Scripture teaches that “every good and perfect gift is from above” (Jam. 1:17) and even our ability to “produce wealth” has been granted by God (Deut. 8:18).

In the OT, God’s people (the Israelites), under the Mosaic Law, were commanded to give “tithes” or ‘tenths’ of their earnings back to Him through the Temple—supporting His workers, His worship and the welfare of those in need.

In the NT, God’s people (the Church), who are no longer under the Mosaic Law, are commanded to give “free will” offerings of their earnings back to Him through a local church—supporting His workers, His worship and the welfare of those in need.

While “tithes” are not required of the Church, we’ve identified 2 criteria given and demonstrated in Scripture we can follow to honor God with our “free will” offerings:

- Giving Sacrificially

Matt. 6:19-33, Mk. 12:41-44, II Cor. 8:9, 9:6-7

Giving is an act of trust.

It should push us out of our comfort zone as we sacrifice in response to Jesus’ ultimate sacrifice, believing He will (in return) meet all of our needs.

- Giving Consistently

Prov. 3:9, Rom. 12:1-2, I Cor. 16:1-2

Giving is an act of worship.

It should remind us that God is in control of our lives, as we consistently bring our offerings in ongoing submission to Him!
